

## PVC Line, funzionalità ed estetica in un battiscopa. PVC Line, functionality and beauty in a skirting board.

PVC Line è una linea di battiscopa in PVC espanso rivestito con pellicola Alcrom® Plus. Adatta sia al professionale che al fai da te, è pensata per rispondere a qualsiasi esigenza: l'utilizzo del PVC, caratterizzato da un'elevata resistenza agli urti, consente di proteggere efficacemente pareti e superfici. Dall'altro lato, la disponibilità di diverse colorazioni permette di dar vita ad abbinamenti cromatici originali.

*PVC Line is a line of skirting boards in PVC foam covered with Alcrom® Plus film. Suitable for both professional installation and DIY, it has been designed to meet any requirement: the use of PVC, characterized by a high resistance to shocks, allows to protect walls and surfaces efficiently. Moreover, the availability of different finishes allows to create original colour combinations.*
